**Wine:** 2005 Big Papa Cabernet Sauvignon

**Comments:** Mature vines with deep, established roots that struggle to nourish naturally produce fewer grape clusters and are slower to ripen. This combination of lower yields and long hang time creates a wine that is richer, more concentrated, and complex. This wine was named after the patriarch of the family. It begins with a huge forward burst of anise and olives, which gives into blackberries and plums, followed up with pencil shavings and ending on a beautiful floral note. Once in the mouth the velvet texture is unmistakable, the focused tannins cradle the tongue with a long finish of sweet spices and dark chocolate that makes you say yum!

**Varietal Composition:** 100% Old Vine Cabernet Sauvignon (Sagemoor Vineyard 60%, Kiona Estate Vineyard 40% - Columbia Valley)

**Alcohol:** 14.6%

**Price:** \$42.00
